LL.M.

Our vision of teaching Law & Technology

An innovative programme for tomorrow's practitioners. A modern approach that provides the knowledge and competence to understand how digital technologies work and what their implications are. A faculty with scholars from prestigious universities and top professionals from all over the world.

For those who seek global excellence.

A statement
of excellence

Be the future. Practice excellence.

General info

Applications

All LL.M. candidates must hold a first degree in Law. Preference will be given to candidates with a strong academic record and an international profile.

Semester Abroad and Double LL.M.

Students are encouraged to take advantage of the exchange agreements with top Law Schools in the US, Latin America, Asia and Europe and attend an additional semester abroad or Double LL.M.
